At Munshini, we don't just create uniforms – we craft custom workwear built to perform. Whether you're outfitting your team on-site, in the workshop, or on the front line of customer service, our tailored workwear combines comfort, durability, and professional style. With high-quality fabrics, precision embroidery, and full custom branding options, we make sure your team looks as good as they feel. From polos and jackets to hi-vis and hoodies, every item is made to represent your brand with pride and reliability, day in and day out.

Sweater

Stay warm and comfortable on and off the job with our premium custom sweater. Made from a soft yet durable blend, it's designed for everyday wear with a clean, professional finish. Add your logo for a smart, unified team look that lasts.

Full Zip

Our full zip jacket delivers everyday practicality with a polished edge. Perfect for layering, it combines warmth and flexibility in a smart, fitted design. Personalise it with your company logo for a versatile piece that represents your brand in any setting.

Rain Jacket

Built to handle the toughest weather, our custom rain jacket keeps you dry without sacrificing comfort. Lightweight, waterproof, and breathable, it's ideal for outdoor work. Finished with your branding, it makes staying protected look professional.

COLOURS AVAILABLE

We understand the importance of perfect colour reproduction. To ensure your designs are accurately printed, we offer two comprehensive colour matching options:
