## T SHIRT

RED CUT AND SEW  
PARTS CAN BE SUBLIMATED

The Munshini Performance Apparel T-Shirt is engineered for comfort, durability, and everyday athletic performance. Constructed from lightweight MK150 performance fabric (100% polyester, 150gsm), it offers excellent breathability and moisture management to keep athletes cool during training and active wear. Finished with a 200gsm Lycra neckband for added stretch and shape retention, and a reinforced 1.5cm laid-on fabric seam at the rear neck for strength and comfort, the T-shirt delivers a clean, professional fit. Designed with an athletic cut for unrestricted movement, it provides a reliable, high-performance solution for training, warm-ups, and off-pitch wear.
